New York, NY 10007

VIA ECF

REF: 1:20-cv-07269-VEC-OTW, NATAS vs. MSDI

Dear Judge Caproni,

The undersigned is non-party in this case and a non-attorney.

The undersigned has reviewed ECF doc. 132.

May it please the Court, the undersigned only became interested in this instant lawsuit after Mr. Jason Goodman expressed to Your Honor that the undersigned was responsible for the spoliation of his "JASON GOODMAN" YouTube account at a discovery conference on 4/30/2021.

As the attached e-mail message (EXHIBIT ONE) indicates, attempts were made to have this false notion corrected. All attempts failed.

The matter was also reported in related litigation (EXHIBIT TWO).

Prior to the expression of the undersigned's name to Your Honor at the 4/30/2021 discovery conference (made by Mr. Goodman in the presence of his attorney) the record will clearly indicate the undersigned was not involved with Mr. John H. Snyder in any manner.

It was only the false assertion of blame laid at the feet of the undersigned that inaugurated said e-mail messages. The matter escalated after Mr. Goodman's lack of cooperation in clearing up the false notion presented to Your Honor that the undersigned somehow had a hand in the termination of the "JASON GOODMAN" channel.

It is prudent to note that Mr. Snyder placed himself in the realm of a public figure when he participated in YouTube podcast creations on behalf of Mr. Goodman. This public figure status opened Mr. Snyder up to public and social critique of his actions as he commented on "public corruption" in the federal courts.

The Counter Lawfare Report returns to Crowdsource the Truth with a new legal expert. Harvard JD, tech entrepreneur and legal expert Jonathan Snyder joins me to explore allegations of corruption within the Federal Court system. This is going to be an explosive episode. CERTIFICATE OF SERVICE

The undersigned asserts under penalties of perjury that copies of this letter has been sent to Jason Goodman 11/23/2021 at truth@crowdsourcethetruth.org on this date.

As Mr. Sweigert is not a party to this case, the Clerk of Court is respectfully directed to strike docket entry 133 from the record. Mr. Sweigert is directed not to file anything further in this matter.

SO ORDERED.

A handwritten signature in blue ink, appearing to read "Valerie Caproni", is written in a cursive style.

Subject: Complaint against S.D.N.Y. practicing attorney

To whom it may concern:

As previously reported to your office, Jason Goodman, Chelsea, New York, solicits funds to pay for his legal fees in the matter of NATAS vs. MSDI (see attached). See the solicitation page advertised below:

<https://crowdsourcethetruth.org/>

The legal composition of MSDI remains a mystery as to true stockholder interests. Apparently there may have been a stock swap between MSDI and the below listed attorney for attorney fee compensation.

New information suggests that Mr. Goodman is committing a public fraud and that such funds, received from the public, are not transmitted to Mr. Goodman's lawyer (see below). It appears that Mr. Goodman's lawyer is very much aware of this situation.

Best,

D. Geo. Sweigert

Magistrate Judge Stewart D. Aaron
U.S. District Court
500 Pearl Street
New York, New York 10007-1312

SUBJ: Issues concerning non-availability of the JASON GOODMAN YouTube channel
1:18-cv-08653-VEC-SDA

Your Honor,

1. During a discovery conference in related litigation before District Judge Valerie E. Caproni, on 4/30/2021 the Defendant advised Judge Caproni that his JASON GOODMAN YouTube channel was no longer on-line because of behavior directly related to the undersigned.
2. Opposing counsel in the related litigation questioned why the JASON GOODMAN YouTube channel is not available on-line for the acquisition of discoverable defamatory statements. The Defendant, speaking directly to Judge Caproni, advised that the “account” disabling was a direct result of “David Sweigert” for supposed privacy and/or copyright strikes.
3. The undersigned completed a rigorous review of the situation and was able to locate one privacy complaint (or “strike”) filed by the undersigned against the JASON GOODMAN YouTube channel on August 9, 2020. This “privacy strike” was denied, which made the complaint moot, resulting in absolutely no detrimental impact to the JASON GOODMAN channel.
4. The JASON GOODMAN YouTube channel remains in “private” status, a visibility control directly in the hands of the Defendant and no one else. As Judge Caproni has already mistakenly reported that BOTH the Defendant and the undersigned “have missed deadlines”, the Plaintiff has zero tolerance for any more flippant assertions made to Judge Caproni or this Court.

Respectfully,

D. Geo. Sweigert
